RE: *Malicki v. Leman USA, Inc.*  
Case No. 17-CV-1674

Dear Judge Joseph:

LEMAN, USA, Inc. is in receipt of Ms. Malicki's February 26, 2019 Motion for Reconsideration. That motion simply re-argues what has already been decided, claiming that the Court "misapprehended" the law and the facts presented. The Court's decision examined in detail the presented facts in support of its decision, and LEMAN, USA does not believe that any response it may file would assist the Court in reaching a decision.

Very truly yours,

DeMARK, KOLBE & BRODEK, S.C.
